Sowande Crews

Cypress, TX | Sowandec@gmail.com | (346)-634-8819 | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Full-stack software developer and technical co-founder specializing in scalable web and mobile applications, cloud integrations, and data-driven architectures. Experienced in engineering backend services with Node.js, PostgreSQL, and Prisma, deploying serverless microservices on AWS, and conducting research using Python and machine learning tools. Passionate about building impactful software solutions and contributing to community-driven initiatives.

EDUCATION

Prairie View A&M University Prairie View, TX

Bachelor of Science in Computer Science. GPA: 3.1. *Expected May 2027*

Relevant Coursework: Computer Programming I & II, Web Design & Multimedia, Calculus, Linear Algebra

EXPERIENCE

Full Stack Engineer Summer 2025 – Summer 2025

NRVE Internship *Dallas, TX*

- Developed a mobile app that gamifies mental health learning, contributing to end-to-end feature implementation.
- Built AWS S3 bucket logic to handle file storage and retrieval for the application.
- Configured API Gateway to manage and route HTTP requests across app services.
- Implemented AWS Lambda functions to execute serverless code in response to API requests.

Full Stack Engineer Nov 2024 – Present

Dsgn2Action *Remote*

- Develop SaaS solutions for multiple clients, including Grow104, 64BmWest, and Verta.

AI Researcher Aug 2024 – Apr 2025

LSAMP *Houston, TX*

- Applied large language models to investigate shared risk factors between heart disease and diabetes.
- Sourced and analyzed Kaggle research datasets to compare comorbidity patterns across both conditions.
- Processed and exported data using Python and Microsoft Excel, generating CSV outputs for analysis.
- Interpreted data visualizations to draw insights and support research conclusions.

SKILLS

Languages & Frameworks: JavaScript, TypeScript, Node.js, React Native, PostgreSQL, Prisma, Python, C++, Java, JSON, XML

Tools & Platforms: AWS (S3, Lambda, API Gateway), MongoDB, GitHub, Excel

Focus Areas: Full Stack Development, API Integration, Data Analysis, Data Visualization, Machine Learning, Research Analytics

CERTIFICATIONS

- Web Developer Certificate
